If legal counsel is denied, then a written report will be submitted to the affected Union setting forth the specific reasons for such denial. Such denial is subject to grievance procedure.

ARTICLE 11. NO STRIKE CLAUSE

It is the intent of the parties to this Agreement that the grievance procedure herein shall serve as a means for the peaceable settlement of all disputes that may arise between them concerning the terms of this Agreement. Recognizing this fact, the Union agrees that during the life of this Agreement, neither the Union, its agents nor its members, will authorize, instigate, aid or engage in a work stoppage, slowdown or a strike against the City of Ann Arbor. The City agrees that during the same period there will be no lockout.

ARTICLE 12. CITY AND DEPARTMENTAL RULES

The City or the department may provide Human Resources Policies and Procedures for use in the City or in the department. These rules must be submitted, by the Personnel Director if they are City rules and by the Chief if they are departmental rules, to the City Administrator and they shall become effective upon the City Administrator's approval. In any conflict between the City or departmental rules and this Agreement, this Agreement shall take precedence.

ARTICLE 13. GRIEVANCE PROCEDURE

A. Purpose

The purpose of this grievance procedure is to establish effective machinery for the fair, expeditious and orderly adjustment of grievances. Grievances within the meaning of this procedure shall consist of all disputes about interpretations of particular clauses of this Agreement, and about alleged violations of this Agreement.

B. Grievances shall be processed according to the following Procedure

Step 1 An employee who has a grievance shall discuss his/her complaint with his/her immediate supervisor, with or without the presence of his/her Steward. The parties shall discuss the complaint in a fair manner and shall make every effort to reach a satisfactory settlement at this point. The supervisor shall make arrangements for the employee to be off his/her job for a reasonable period of time in order to discuss the complaint with his/her Steward.

Step 2 If the matter is not satisfactorily settled in Step 1, the aggrieved employee shall report such grievance to their Steward as soon as possible, but in any case, within fourteen (14) calendar days of the event giving rise to the grievance. Such report shall be in writing and shall set forth the nature of the grievance, the date of the matter complained of, the names of the employee or employees involved, the circumstances surrounding the grievance, the specific clause of this Agreement allegedly violated and the remedy sought. The Steward, with or without the complaining employee shall then discuss such grievance with the division commander. This discussion shall be had within fourteen (14) calendar days of receipt of the grievance by the Steward and a decision in writing must be rendered by the division commander within fourteen (14) calendar days after said discussion, with a copy of said decision going to the employee and the Steward.

Step 3 If the grievance is not satisfactorily settled as a result of Step 2, the Steward may appeal such grievance to the Chief of Police. A meeting shall be had with the Chief, the Steward receiving the original grievance and the aggrieved member within fourteen (14) calendar days and a written decision shall be rendered by the Chief within fourteen (14) calendar days of the meeting.

Step 4 If the grievance is not satisfactorily settled in Step 3, the employee or the Union shall have the right to appeal to the City Administrator. The representative of the Union shall meet with the City Administrator and/or his/her designated representative within fourteen (14) calendar days of the presentation of the appeal. The City Administrator's answer shall be filed within fourteen (14) calendar days after the meeting. In lieu of filing an answer, the City Administrator, in his/her discretion may submit the grievance to a mutually

agreeable arbitrator. If the parties are unable to agree as to an arbitrator, the services of the American Arbitration Association (or FMCS) shall be used in making a selection. In such case, the decision of the arbitrator shall be binding on both parties.

Step 5 If an answer of the City Administrator is unsatisfactory to both the Union and the employee, the grievance may be submitted to a mutually agreeable arbitrator or to the American Arbitration Association (or FMCS) within thirty (30) calendar days of the date of the City Administrator's answer. The decision of the arbitrator shall be binding on both parties.

C. Cost of Arbitrator

If a grievance is submitted to an arbitrator by the City Administrator under Step 4, the City shall pay the arbitrator's fee. If a grievance is submitted to an arbitrator by an employee under Step 5, the City and the Union shall each pay one-half of the arbitrator's fee.

D. Power of Arbitrator

An arbitrator shall have no power to add to, or to subtract from, or modify any of the terms of this Agreement, nor shall he/she substitute his/her discretion for that of the Employer or the Union where such discretion has been retained by the Employer or the Union, nor shall he/she exercise any responsibility or function of the Employer or the Union.

E. Time Limitations

If no appeal is taken within the time limits prescribed in each step above, the employee and the Union shall be deemed to have accepted the decision. In the event the Employer fails to reply to a grievance at any step of the grievance procedure within the specified time limits, the grievance shall be considered to be denied and may be advanced to the next step by the Union by written appeal within the proper time limit after the answer is due. Time limits may be extended with written mutual agreement from the Union and the employer.

F. Grievance Form

The Union shall furnish grievance forms. This form shall be used in filing a grievance. One copy of the form is to be the property of the employee filing the grievance.

G. Individual Grievance

Notwithstanding any other provisions herein, individual employees may present their own grievances to the Employer and have them adjusted without the

intervention of the Steward or Union officers; provided, however, that the Employer had given to the Steward or Union officers notice and an opportunity to be present at such adjustment. In no event shall any such adjustment be contrary to or inconsistent with the terms of any agreement between the Employer and the Union.

ARTICLE 14. DISCHARGE AND DISCIPLINE

A. Notice of Discharge or Discipline

Before any disciplinary action is taken against a member, he/she shall be given an opportunity to state his/her position and offer any evidence immediately available to his/her superior officer who is rendering such discipline. Notice shall be given to the Union by the Employer of any discipline or discharge within twenty-four (24) hours of the invocation of such discipline or discharge, except as specifically excepted herein. Discharge or discipline shall be for just cause.

B. Charges and Specifications

Within fourteen (14) calendar days of receiving the completed investigation, the Police chief will make a decision regarding the formal disposition and, if warranted, discipline. The decision shall be in writing and shall be forwarded to the employee within this fourteen (14) day period.

C. Power of Discharge and Discipline

As set forth in Chapter 4 of the Ann Arbor Charter, the City Administrator has the duty to direct, supervise and coordinate the work of the Police Department and the Chief of Police, who is directly responsible to the City Administrator, and in immediate charge of the Police Department. In accordance with these provisions, the members of this bargaining unit shall only be bound by the disciplinary actions of the City Administrator, Police Chief and his/her supervisors.

D. Specific Sections

Such charges and specifications shall cite the specific section of rules and regulations, general or procedural orders and/or law or ordinance which the member is alleged to have violated, where applicable.

E. Statements

An employee shall respond to the complaint or allegation either verbally or in writing at the request of the supervisor. Responses involving possible criminal conduct may only be used to resolve internal police department complaints and may not be used in any criminal court proceedings against the employee. An employee shall be informed that a hearing, if he/she wishes one, will be held before the Chief or his/her designated representative (not more than two persons) not less than five (5) calendar days (unless waived by the employee against whom charges have been made) nor more than ten (10) calendar days from the presentation of the formal charges to the accused member.

F. Representation

The member against whom charges have been made may be represented at such hearing by a Steward or any member of his/her own choosing.

G. Past Infractions

In imposing any discipline on a current charge, the Employer will not base his/her decision upon any prior infractions of City or departmental rules or regulations which occurred more than two (2) years previously, unless directly related to the current charge.

H. Verbal Reprimand

The procedure as outlined above shall be applicable to all disciplinary proceedings except for verbal reprimands, which are exempt from the provision of this agreement, except (g) above. In a case of a verbal reprimand to be used by the Employer at a later date the supervisor initiating it will note it on the evaluation worksheets and it will be reflected on the employee's annual evaluation. The evaluation becomes part of the personnel file.

I. Relieved or Suspended Pending Investigation

In severe cases where it is necessary for a member to be relieved of duty, or suspended pending an investigation only their salary shall be discontinued until they are returned to duty, or discharged. If as a result of the investigation the employee is exonerated of the charges causing the relief of duty, or suspension pending the investigation, he/she shall be compensated for all back wages lost due to the relief of duty, or suspension.

ARTICLE 15. PROBATIONARY EMPLOYEES

- A. New employees hired into the unit and permanent employees changing classification or section within the bargaining unit at their request, shall be probationary employees for evaluation purposes, for six months commencing with the date they are hired by the City of Ann Arbor, change classifications or are transferred at their request. The purpose of the probationary period is to provide an opportunity for the Employer to determine whether the employee has the ability and other attributes which qualify her/him for regular employee status in that position. During the probationary period, a new employee shall have no seniority status and may be terminated in the sole discretion of the Employer without regard to his/her relative length of service. Unsatisfactory new employees shall be so terminated.
- B. Once the employee's probationary period is completed, the employee's seniority with the Employer and Unit begins from his/her date of hire. This clause shall not be construed to interfere with benefits normally received by probationary employees, such as step increases, vacation accrual, sick leave accrual and insurance coverage, normally received after six months, if said probationary employees have met the qualifications for said benefits.
- C. It shall be the Department's prerogative to extend the probationary period an additional six (6) months beyond the first six (6) months evaluation period which begins at the time the employee was hired by the City of Ann Arbor, changed classifications or is transferred at his/her request. The employee shall be so notified of any extended probationary period and the reason for said extension.
- D. The Union shall represent permanent probationary employees for the purpose of collective bargaining, in respect to rates of pay, wages, hours of employment, and other conditions of employment as set forth in this Agreement, except employees discharged and disciplined for other than Association activity.

ARTICLE 16. SENIORITY

A. The Union shall represent all permanent employees and employees on probation for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment as set forth in this Agreement.

B. Seniority and Seniority Lists

- 1) Seniority encompasses three distinct types of seniority defined as:
 - a. City seniority is the length of service as a permanent employee of the City of Ann Arbor, without a break in service, since the most recent date of employment.
 - b. Bargaining unit seniority is the length of service as a permanent employee of the Police Clerical Unit of Local 214 Teamsters without a break in service since the most recent date of entry into the unit.
- 2) The seniority list on the date of this agreement will show the names, job titles, bargaining unit seniority and position seniority of all applicable employees of the bargaining unit entitled to seniority.
- 3) The Employer will keep the seniority list up-to-date at all times and will provide the Union with up-to-date copies at least every six (6) months.
- 4) For purposes of vacation preference or shift preference bargaining unit seniority shall govern.

C. Loss of Seniority

An employee shall lose his/her seniority for the following reasons only:

- 1) He/she quits City employment.
- 2) He/she is discharged and the discharge is not reversed through the procedure set forth in this Agreement.
- 3) He/she is absent for five (5) consecutive working days without notifying the Employer. In proper cases, exceptions may be made with the consent of the Employer. After such absence, the Employer will send written notification to the employee at his/her last known address that he/she has been terminated. If the disposition made of any such case is not satisfactory to the employee, the matter may be referred to the grievance procedure.

- 4) If he/she does not return to work when recalled from layoff as set forth in the recall procedure. In proper cases, exceptions shall be made with the consent of the Employer.
- 5) Failure to return from sick leave and leaves of absence will be treated the same as (3) above.
- 6) He/she retires.

D. Seniority of Stewards

Notwithstanding his/her position of the seniority list, the Steward, in the event of a layoff of any type, shall be continued at work as long as there is a job in his/her department which he/she can perform. The Stewards shall be permanent employees and shall have completed their probationary period in the current position.

ARTICLE 17. LAYOFFS

A. Permanent Employees

The Employer may lay off a permanent employee when he/she deems it necessary, by reason of shortage of work or funds, the abolition of the position, material change in the departmental organization, or for other related reasons which are outside the employee's control and which do not reflect discredit upon the services of the employee. The duties performed by any employee laid off may be reassigned within reason to other employees already working who hold positions in appropriate classes.

B. Order of Layoff

When the Employer deems it necessary to reduce the number of employees in a position classification, the employee who last entered the affected classification shall be the first to be removed from there, provided the remaining employees have the ability and skills necessary to perform the work required in the classification. In the event there are no senior employees who possess the ability and skills necessary in that classification, then a lesser seniority level employee who is so qualified shall be retained.

C. Bumping

Employees laid off may exercise their bargaining unit seniority in any other progression level within the bargaining unit by bumping into said classification if he/she possesses the ability and skills necessary to perform the work therein, and will displace the last employee who entered into that classification.

D. Notice of Layoff

The Chief shall give written notice to the Director of Human Resources and to the employees and Union on any proposed layoff. Such notice shall state the reasons, therefore, and shall be submitted at least one week before the effective date thereof.

E. Recall Procedure

When the work force is increased following a layoff, employees shall be recalled to work in inverse order of layoff provided the employee's ability and skills remain suitable to perform the job to the same extent as prior to layoffs. Notice of recall shall be sent to the employee at his/her last known address by registered mail or certified mail. If an employee fails to report for work within ten (10) days from date of mailing notice of recall, or within five (5) days from the date when such employee is notified to report to work, whichever is later, he/she shall be considered to have quit.

ARTICLE 18. TRANSFERS

If an employee is transferred to a position under the Employer not included in the Ann Arbor Police Department, Safety Services Service Unit and is thereafter transferred again to a position within the Ann Arbor Police Department, Safety Services Service Unit, he/she shall have accumulated seniority while working in the position to which he/she was transferred. Employees transferred under the above circumstances, shall retain all rights accrued for the purpose of any benefits provided for in this Agreement, with the exception of the privilege of promotion. Concerning promotions, this transferred employee is treated as a new employee and must begin his/her "seniority" for promotions from date of transfer, unless his/her absence was for less than one (1) year and in that event no seniority would be lost except for the actual period of absence.

ARTICLE 19. VACANCY OR NEW POSITION

Notice of all vacant or newly created positions shall be given to the Chief Steward, or designee for posting at least seven (7) calendar days prior to filling the position. Postings for such vacancies will list the essential criteria for the position based on the job progression level, corresponding pay scale, minimum qualifications and service area. Members within this bargaining unit who meet the qualifications will be offered the open position first, in order of seniority. Any current employee entering this job progression will enter at the level he/she qualifies for.

ARTICLE 20. PAYMENT OF BACK PAY CLAIMS

If the Employer fails to give an employee work to which his/her seniority and qualifications entitle him/her, and such work does exist and a written notice of his/her claim is filed within ten (10) calendar days of the time the Employer first failed to give him/her such work, the employee may file a grievance under the grievance procedure and, if successful in the grievance, the Employer will reimburse him/her for the earnings lost through failure to give him/her such work.

ARTICLE 21. COMPUTATION OF BACK WAGES

No claim for back wages shall exceed the amount of wages the employee would otherwise have earned at his/her regular rate.

ARTICLE 22. LEAVES OF ABSENCE

A. Personal Reasons

The Employer may grant a leave of absence for personal reasons of not to exceed thirty (30) calendar days and without loss of seniority to an employee who has completed his/her probationary period, provided he/she presents a reason acceptable to the Chief. Accrued leave time in the employee's sick, comp, personal and vacation banks must be used during this leave of absence. If an employee does not have enough time in his or her banks, he or she will take the leave without pay.

B. Prolonged Medical Condition

- 5) If an employee retires and assumes employment elsewhere and that employer provides health coverage to its employees, which does not substantially differ from that offered by the City of Ann Arbor, the City's obligation to provide health coverage shall cease. However, should the retiree lose such coverage from the other employer, the retiree may elect to reenroll under the City's health coverage. Such coverage shall be restored and recommence immediately following the production of such proof-of-loss. The City shall not prohibit a retiree from re-entering the City's health coverage for any reason upon loss of coverage from another program, and, further, the health coverage benefits provided upon return to City coverage will be the same as which the employee was entitled to upon retirement.
- 6) Subject to the conditions set forth in Appendix C, employees shall be able to waive their City-provided health care coverage, and receive a \$2,000 per year, payable quarterly. The City reserves the right to amend or terminate the program at any time during Open Enrollment to be effective as of the upcoming July 1.

Therefore, the Employer and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in this agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated and signed this Agreement. Furthermore, the parties acknowledge that this Agreement constitutes settlement of all outstanding grievances.

APPENDIX C Health Insurance Cost Containment Waiver Program

1. Waiver and Amount of Payment::

Effective July 1, 2008 employees may waive the City health insurance provided under this agreement during Open Enrollment or within 30 days of a "Life Event" by notifying the Employee Benefits Staff of the Human Resources Department and signing a Waiver Form. In return for this waiver, eligible employees will receive a \$2000 (\$1,800 for health, \$150 for dental, \$50 for vision) cash payment for every year period in which they elect not to participate in the City's health insurance programs.

2. Payment Schedule: Cash payments will consist of four quarterly payments of \$500 as follows:

Payment 1: July-September	1st Pay in October
Payment 2: October-December	1st Pay in January
Payment 3: January-March	1st Pay in April
Payment 4: April-June	1st Pay in July

If an employee enters the program during one of the above quarters, the quarterly payment will be prorated by month and will be paid according to the above schedule. Payments will be made for full months only. Payments will be made after each complete quarter in which the employee does not participate in the City's health insurance programs, as described above.

3. Eligibility: To take advantage of this cost containment program, employees must meet the following criteria:

- (a) The employee must show written proof of health insurance coverage elsewhere. A valid insurance carrier identification card would meet this criterion.
- (b) Employees whose spouses are City employees are eligible for this program.
- (c) Employees must complete a Health Insurance Waiver Form in the Human Resources Department.

4. Re-Entry into the City's Health Insurance Programs:

Employees who have elected not to participate in the City's health insurance programs may re-enter the City's programs only during the annual Open Enrollment Period. If an employee's spouse has experienced a complete non-voluntary termination of health benefits elsewhere, upon proof of loss, presented to the Employee Benefits staff, within 30 days of the loss, such coverage shall be restored retroactive to the date of the loss.

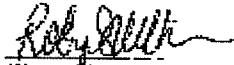

5. The City of Ann Arbor reserves the right to amend or terminate this program at any time, and if so, will announce change during Open Enrollment, and the change will be effective for that upcoming Plan Year for which such Open Enrollment is occurring.

Memorandum of Understanding – 401 (a) Plan Closure

MEMORANDUM OF UNDERSTANDING

The collective bargaining agreement between the City of Ann Arbor (City) and Police Professional Assistants in the Police Department- Teamster Local No. 214 (Union) dated July 1, 2008 through June 30, 2011, includes a provision in Article 48, Section C allowing retiring members to utilize a 401(a) plan for deposit of their final payout of accrued time. The City and the Union, upon review of recent IRS guidance, agree that the plan does not serve the purpose for which it was intended and further use of the plan may result in negative tax ramifications to its members, as well as penalties and interest to the City.

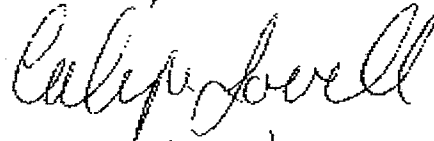

Therefore, the City and the Union agree that effective the end of business, December 31, 2009, the 401(a) plan will be closed, and members will no longer be able to deposit funds into that plan upon retirement. Any former members, who are now retired, who had deposited funds into the account will receive notification of their options regarding moving funds to a different type of account or cashing out those funds. The City and the Union agree that all references to the 401(a) plan in the collective bargaining agreement will be deleted effective January 1, 2010.
